

## SUNDBY SEJLFORENING, COPENHAGEN 22-29 JULY

### *Newsletter April*

Spring is here and the Ynglings are ready to get water under the keel after several months on land, but that haven't stopped 42 crews from registering for this year's Yngling WC in Sundby Sejlforening. There are still plenty of room for more participating teams.

### ENTRY:

If you want to participate at the event, our best advice is to get the approval from your National Yngling Association and to register and pay the entry fee as soon as possible.

We will gradually upload relevant information during the coming months.

Apart from registration the boat and crew in manage2sail, you will be able in the merchandise module to order mooring facilities for RIBs, caravans, tent, breakfast and do it yourself lunch and 100€ tickets for spouses and shore crew to take part in the social program. This includes after sail barbeque, half day spectator boat on water (limited access), Regatta Dinner, music ....

Make sure to order the Yngling WC T-shirt from Helly Hansen.

The event will run as a sustainability regatta, meaning among other activities, that we will work hard to minimize our CO<sub>2</sub> footprint. Please minimize your waste and help us by sorting it into the appropriate garbage stations.

When you are not on the water, there will be a lot of social activities at or close to the harbour. Copenhagen is fantastic in July with food markets, restaurants, Tivoli, museums, canal tours etc.
